

REMARKS

Claims 1-23 are pending in this application. By this Amendment, claims 5, 10, 12, 17, 21, and 23 are amended.

The Office Action asserts that the applicant is required to define the terms CSP method, and LDD region in the specification. The applicant has classified the terms in the claims. CSP refers to Communication Sequential Processes and LLD refers to Lightly Doped Drain. These terms are conventional and well known in the art.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of the application is earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
